

Walkin' By Faith

Verse 1

I ain't got no roadmap, just a whisper in my soul,
God said, "Boy, start movin'," so I packed up and rolled.
Left the lights of comfort for a promise I can't see,
Faith don't need no proof, just the One who speaks to me.

Chorus

I'm walkin' by faith when the night gets cold,
Trustin' His word like the saints of old.
Ain't got the answers, but I know His name,
When the world says quit, I keep ridin' the flame.
Oh, I'm walkin' by faith—no map, no plan,
Just a sinner redeemed by the great I AM.

Verse 2

Old Abraham walked out with stars in his eyes,
Sarah laughed at the promise, but God heard her sighs.
When the wind starts howlin' and doubt kicks in,
I remember He's faithful—He's been since the begin'.

Chorus

I'm walkin' by faith when the road turns rough,
God's grace is stronger when my strength ain't enough.
Ain't got the sight, but I've got His Word,
When He speaks in the dark, that's the sweetest I've heard.
Yeah, I'm walkin' by faith—through dust and flame,
'Cause I'm standin' tall in the Savior's name.

Bridge

They all died believin' in what they couldn't see,
Strangers and pilgrims—same as me.
The city they longed for, not made by hand,
Is where I'm headin', 'cause I know who I am.

Final Chorus

I'm walkin' by faith, through fire and rain,
With heaven in my heart and blood in my veins.
Don't need no proof, don't need no fame,
Just the Lamb that was slain and the power of His name.
Yeah, I'm walkin' by faith—this outlaw man,
Got my eyes on Jesus, and He's holdin' my hand.

Tagline
